About Bredon School

Bredon School is situated on a rural site in the magnificent Gloucestershire countryside, with uninterrupted views of the Malvern Hills.

The school is centred around Pull Court, a large house dating from the 17th Century, which was remodelled in the early 19th Century to resemble as it stands today. In addition to the academic school buildings, boarding houses and playing fields, the Bredon community makes full use of a working school farm, various agricultural buildings, and direct access to the River Severn. Two large areas of woodland are also used for educational purposes, and are rich in native wildlife.

Bredon School offers each and every pupil a magnificent range of traditional and vocational qualifications in an outstanding pastoral environment which ensures that each pupil thrives as an individual. Taught in small classes individuality is both nurtured and celebrated by our highly qualified, passionate staff who strive to secure a love of learning in our pupils enabling them to realise their full potential.

Offering a broad spectrum of subjects, activities, opportunities and experiences we are able to build our pupils confidence and self belief. This is just one of the reasons why we are judged as 'Excellent' by the Independent School Inspectorate (ISI) for both academic achievement and all-round personal development.

Bredon School is ten minutes away from the market town of Tewkesbury, with easy access to the M5 and M50. The Forest of Dean, Wye Valley, the Cotswolds and the Malvern Hills are all well within an hour and we are equidistantly placed between the cathedral cities of Gloucester and Worcester. House prices in and around Tewkesbury sit just below the national average.
